

JP CASTING

To Whom It May Concern:

JP Casting is very excited to be on the board of Youth Film Academy. We are very excited to participate and scout young actors for new projects in film and TV.

We have had great success scouting talent with your endeavors especially with our movie BRATZ. Also, thanks to you, Christian Martin, will be starring in our new movie, "Snowmen". We look forward to be working together at discovering new Stars!

Joey Paul Jensen – Casting Director
