Dear George,

I wanted to write and tell you how much I've enjoyed visiting your school. The atmosphere set by you and your excellent staff is truly inspiring. I find speaking to the kids and seeing the talent that exists out there and the potential that you may afford them, is the most exciting. Your commitment to the kids through your schools is evident. You really are giving them a wonderful, solid foundation.

I hope you'll have me back soon.

best,

Linda Mendoza
